GUEST SELF DECLARATION OF HEALTH – PRE ARRIVAL

Must be completed and received prior to arrival, failure to do so may mean entry is not permitted

Due to the ongoing situation with the Coronavirus (COVID-19), we are required by ScotGov, to ensure that all guests complete a self-declaration form in assessment of their fitness to travel. This is required to continue to suppress the transmission of the virus, to protect our staff and local community. Skye has a fragile infrastructure and many vulnerable residents. We ask that you complete this form in honesty.

The person who places the booking must complete this form on behalf of their group and **return it, between 24-48 hours prior to arrival**, to enquiries@staywithusonskye.co.uk.
